* If you want to change the colour, you can do so by opening the file in Adobe Photoshop or Illustrator.

OUR DETAILS ON YOUR PRODUCT

We automatically place our own web address on some non visible areas of your product. If you do not want this on your product, please let us know by email when you reply to the proofing email and we will remove it. Examples of our advertising are shown below.

Ofcourse if you think that recyclable-displays.com is too good to keep a secret, feel free to include our downloadable logos on your artwork. We don't mind what colour you make them!
